# Big Jesus Tent & USA Outreach

# Big Jesus Tent & USA Outreach

God has given us an incredible strategy to reach Cities through Arenas, Stadiums and Tents. These outreaches are a **hub for city transformation** where the lost, the curious, and the skeptical can gather to hear about the Gospel. In these outreaches Nick preaches the gospel over multiple evenings, with churches and nonprofits mobilized to volunteer, bring the lost, and provide resources for the brokenhearted. For every new believer, we have a strong discipleship process and church integration strategy. Our vision for the future is to go to the inner cities of America to let the brokenhearted in broken cities know about a saving, healing Jesus.

Mental Health issues have skyrocketed. **Incidences of suicide, depression and identity confusion are increasing and there aren't enough pastors or counselors to meet the need.** A trained Caregiver can handle 80% of the issues that a licensed counselor deals with. In response, Champions for the Brokenhearted Caregiver Training is being created. This is a joint endeavor between Nick Vujicic Ministries and Hope for the Heart, founded by June Hunt.

This training includes a Core Certification and a custom specialization for each of the 12 Champions Initiatives. Go to: **ChampionCaregiver.org**
